Community television for the Black River Valley

2010 BOARD OF DIRECTORS CANDIDATE STATEMENTS

Each June, LPCTV holds elections for its Board of Directors, the governing body of the organization. The primary tasks of the Board of Directors are to manage LPCTV's finances, to help govern LPCTV's policies & procedures, and to oversee the organization's operational management.

This year, there are 5 candidates, vying for 5 seats on the Board of Directors. There are extra spaces for write-in candidates. Ballots must be cast for at least 1 candidate and a maximum of 5. The top 5 vote-getters will be elected.

Ballots are available for download on www.lpctv.org, by request by calling 228-8808, or in person at the studio. All ballots must be received by, or before, 7PM on Thursday, June 25th. All eligible voters in attendance prior to the Annual Meeting will receive a ballot.

The following is a list of the 2010 candidates with a statement from each:

Lois Brown

I have maintained a residence in Ludlow since 1988 and became a full time resident in 2001. My professional career spans 40 years in finance, marketing and communications in major corporations and non-profit organizations as well as operating my own consulting firm.

I have a B.A. in Economics and an MBA in Finance and Marketing. My interests since moving to Ludlow have mostly encompassed working with young people, community organizations, theater and arts interests. I am an active supporter of the Weston Playhouse particularly the young company production and volunteer with Good Beginnings of the Upper Valley. I live with my husband, Jim Wallis and our two Labrador Retrievers, Elfie and Nemo. Trained as guiding eye dogs, both were released from the Guiding Eyes for the Blind of Yorktown Heights, NY program and are now therapy dogs and much loved house pets. Jim is a lecturer in the environmental engineering program at Yale University and is a consultant on global water resource problems.

LPCTV serves a vital role in building community and working as a board member to help ensure a lively schedule and sound future would be a pleasure.

Jay Jurkoic

As a founding member of LPCTV, I have been involved since the beginning. I have enjoyed volunteer work, I have been an active member, and I am a current producer / host of my own studio show. I would like to continue to serve on the Board.

Fred Marin

I have, for the last four or five years, been involved with LPC-TV, as a producer of various cultural arts programs including: concerts by the Feminine Tone, a piano/organ recital last Fall, and the production of Hansel and Gretel by the Opera Theater of Weston. I have gained an appreciation of the importance of public access TV to the community through these activities. I would like to play a larger role in supporting the goals of LPC-TV. Serving on the Board of Directors would provide such an opportunity.

Jean Morrill

As a life long resident of the town of Ludlow I am very interested in seeing the town function as a community supporting one another and growing in a positive way. LPC TV offers a great communication tool for the Ludlow, Plymouth and Cavendish areas.

Over past 15 years I have served on the Ludlow Selectboard, Ludlow Planning Commission, Fletcher Farm Foundation Board of Directors, Streetscapes Inc., Black River Alumni Association and many other community service organizations. Thank you for your consideration to the LPC TV Board of Directors.

Norm Vanasse

I would like to continue serving on the board because I realize how important it is to maintain community access to local cable TV. LPCTV provides a way for people to exercise their democratic rights.
